Care

The life and good looks of the cover depend a great deal on the way you care for it. Do not store the cover unless it is fully dry, using the storage pouch supplied.

Titan Table 240 (1Tl24) and Cover (400769)

Please note

- Not all covers are custom made so the fit may not be 'made to measure'.
- Covers for standard dining groups are designed to cover the furniture with the chairs not under the table

Helpful Hints

If the furniture has any sharp corners or edges, place foam rubber on the sharp edge to reduce the risk of puncture or abrasion of the cover.

For tables, placing an object, such as a beach ball, under the centre of the cover can help drain water.
