

MISTING FANS

Tabletop Wall Mount Reservoir

Providing Cooling Solutions to Outdoor Environments

Don't retreat from the heat! When outdoor temperatures soar, EcoJet Misting Fans extend outdoor living by providing a cool zone of ultra fine mist for maximum comfort. Utilizing a unique patented technology, they create a mist so fine you don't get wet. As the cooling mist cloud builds up and spreads into the environment, the fans reduce ambient air temperature 20+ degrees.

BENEFITS & FEATURES

- Cleans & purifies the air of smoke, dust & odors
- Adjustable mist valve from low to wide open setting
- Mist cloud creates flying insect free mist zone
- Low maintenance, electrical cost
- Quiet operation, doesn't drown out conversation
- Easily portable tabletop & reservoir models
- Wall Mount fans for fixed water line or hose hookup
- One year limited manufacturers warranty

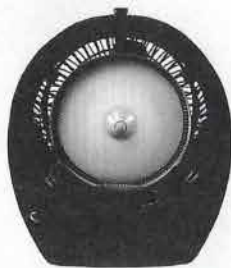

Joape Misting Fans have been sold worldwide to over 50 countries over the past 30+ years in countless applications to Residential, Commercial, Industrial & Agricultural markets.
