

180 DINING / SEATING

Starting with a simple chair, the no-nonsense lines of 180 have the hallmark of a functional favourite. With clearly matching design cues, a comfy lounge chair and lounge compliment this popular aluminium and sling collection. The same delicate geometric lines and straight-forward stacking system is applied to all pieces.

Henrik Pedersen is no stranger to simple practicality. The respected Danish designer has cleverly emulated lines of traditional wooden furniture using powder coated aluminium and weatherproof sling to create both the stand out 180 Stacking Chair and the equally impressive 180 Stacking Lounge Chair. Followed with the equally attractive and no less practical matching Stacking Lounger, both are available in a variety of finishes. Henrik says "Travelling, exploring and being inspired by the moment are essential to being able to see beyond tomorrow."

Chair and Lounger frames are available in powder coated White or Meteor while seat and back of both offer practical and comfortable rest in equal measure. Durable, flexible, weatherproof slings are available in White to compliment the White frames and Charcoal for the Meteor frames.

About Gloster

As life gets faster and more complex, the need for quality time and space - the freedom to be you - grows too. At Gloster we open doors to timelessly beautiful exteriors where your furniture sets the mood, just the way you want it to be. And we take the long view, using only the very best materials and techniques available. Our aim is your pleasure - to be enjoyed in countless special moments outdoors.

With offices world-wide and our own manufacturing facility in Indonesia, Gloster's roots can be traced all the way back to West Africa in 1960, where a band of passionate entrepreneurs and furniture makers took the first steps on a long journey. Today, the same passion, conviction and pride that launched the Gloster brand, continues to fuel our business. We may live in a different world than the one occupied by our founders, but one thing remains the same - we are furniture makers whose sole focus is to design and build the world's finest outdoor furniture.
