# KANNOA

Kannoa was founded in 2006 by two childhood friends, Luis Blasini and Philip Boulton. They set out to build an outdoor furniture company based on four pillars: Design, Functionality, Durability and Harmony. From the beginning, they had an innate sense that these concepts had to guide not only the furniture they manufactured, but the company itself.

At Kannoa, people come first. We strive for a relaxed, informal work environment. We consider you, as a client, part of our work family and offer all our support in the purchasing process. Knowing there are a myriad of options in outdoor furniture, we are happy to share what we have learned about outdoor products to help you make the best choice.

We are proud to offer well-designed, functional pieces made from only the best raw materials to guarantee long term durability weathering the elements. All of our furniture can be made in any of our 20 vibrant colors. If our offering does not meet your needs, we can customize it for you.

We also thrive from interaction with young designers and are always working to harmoniously integrate our furniture with the environment.

A photograph of a swimming pool at dusk. In the foreground, a silver metal lounge chair is partially visible, angled towards the pool. The pool's water is a vibrant blue, reflecting the ambient light. Two curved metal handrails are positioned in the water near the edge. Along the far side of the pool, a row of similar lounge chairs is neatly arranged. The pool deck is made of light-colored stone tiles. In the background, a dark metal fence and some greenery are visible under the soft glow of twilight. The word "SICILIA" is printed in white capital letters on the right side of the image, next to a small green square.

A photograph of a modern outdoor patio area. In the foreground, several blue lounge chairs with dark metal frames are arranged in a row on a light-colored gravel surface. Each chair has a white towel rolled up on it. To the right, a small square table holds a bowl of lemons and a potted plant. In the background, a white building with large windows and glass doors is visible, surrounded by tall palm trees under a clear blue sky. Three large blue patio umbrellas are open, providing shade. The text 'UMBRELLAS AND BASES' is overlaid in white capital letters on the right side of the image, with a small yellow square to its right.
