ASSEMBLY INSTRUCTIONS FOR THE TR - 30

LEGS

TABLE TOP

BASE

STEP-I

Unpack, inspect and lay the parts on a clean, flat, soft surface to avoid marring the wood.

NOTE: During assembly of the furniture please match all joints with the corresponding letters or numbers stamped on the furniture.

*NOTE:

A TENON

B MORTISE HOLE

STEP-II

Place the TABLE TOP face down and carefully insert the LEG tenons into their respective mortise holes on the underside of the TABLE TOP. Tenons of the LEGS will be stamped with a number or letter to correspond with their respective mortise holes on the TABLE TOP.

STEP-III

Carefully take the BASE and insert the LEG tenons into their respective mortise holes. Again, please be sure to line up the stamped numbers or letters. Using a rubber mallet or a regular hammer with a wood block between the hammer and the wood, drive the tenons and mortise holes together until all the joints fit snugly together.

STEP-IV

Place the table upright and drive the wooden dowels through the tenons of the LEGS using direct sharp blows from a hammer. To avoid marring the wood please use a block of wood between the dowel head and the hammer head for the last few blows. Do not force dowels; any excess can easily be sanded away.

STEP-VI

Insert all screws into pre-drilled holes using a proper screw driver as shown in the diagram. Use the small teak plugs to cover the screws.

IF YOU HAVE ANY QUESTIONS REGARDING THE ASSEMBLY OF YOUR KINGSLEY-BATE FURNITURE, PLEASE CONTACT THE KINGSLEY-BATE DEALER NEAREST TO YOU OR KINGSLEY-BATE DIRECTLY. WE THANK YOU FOR CHOOSING OUR FURNITURE.

**KINGSLEY-BATE WILL NOT TAKE RESPONSIBILITY FOR DAMAGE IF THESE INSTRUCTIONS ARE NOT FOLLOWED PROPERLY.*
