TERMS & CONDITIONS

As a condition of doing business with Treasure Garden, Inc., its DBA Shademaker, and its affiliates (hereinafter, "TG") all persons involved in the commercial purchase, sale, or resale of TG products (each, a "Dealer") shall be bound by the following terms and conditions (the "Agreement").

Distribution:

TG reserves the right to respond to geographic and individual market and competitive situations by applying different policies to its various Dealers. TG also reserves the right to rescind or modify, in its sole and absolute discretion, any existing or future sales program or policy, or the credit terms (if any) extended to a Dealer. In addition, TG may terminate any authorized Dealer, for any reason or no reason, in its sole and absolute discretion and without notice.

Prices:

Prices listed in the price list are suggested retail prices. A Dealer's cost is based on the designated Dealer classification. Ask your Sales Representative for details regarding TG's 2023 programs and pricing structure.

Taxes and Surcharges:

The manufacturer's suggested retail price (MSRP) does NOT include any state tax local tax or surcharges. CA sales tax may apply to shipments made within the state of CA, picked up at our CA facility or drop shipped within the state of CA unless we have a CA resale or tax-exempt certificate on file. Treasure Garden, its dba Shademaker, have a presence in 39 states. As of JUNE 2022, these states are AL, AR, AZ, CA, CO, CT, DC, FL, GA, IA, ID, IL, IN, KS, KY, LA, MA, MD, ME, MI, MN, MO, NC, NE, NJ, NM, NV, NY, OH, OK, PA, RI, SC, TN, TX, UT, VA, WA & WI. As mandated by state and local taxing authorities, we are required to collect sales and / or use taxes on your purchases shipped to these states unless we have a valid resale / exemption certificate(s) for the state(s) that your company's purchases are shipped to. Please note that CA, CT, DC, MA & MD will NOT accept another states resale certification or resale number for tax exempt purposes.

Order Acceptance:

We accept orders from an authorized retail Dealer or contract accounts only. Ask your sales representative for details on becoming an authorized retail Dealer or contract account. If you place an order with Treasure Garden and you or your designee accepts delivery of any goods in relation to the order (whether or not you believe the delivery conforms with the order) you will be bound by the terms and conditions of our 2023 price list.

If you do not accept all of the price list terms you must notify us in writing within 10 days of receiving your acknowledgement or the goods, whichever occurs sooner, to cancel or return the order at your expense. If you fail to do so, you will be bound by the price list terms. In the event of a conflict between the terms on any purchase order, invoice, acknowledgement, or other document and the price list terms, the price list terms will prevail.

Order Policy:

To ensure that your order is processed without delay we require:

- A written purchase order (no phone orders) from an authorized Dealer including the business name, account number, phone number and purchase order number.
- Ship date and specific shipping instructions. If you request freight collect or 3rd party billing, please provide the account number.
- Our item/style number, fabric number, type and color.
- Quantity of each style.
- Customer's name on all Special Orders.
- Order type: For Quick-Ship items (pg. 25), use order code: **TGEX**

NOTE: Dealers who place a single purchase order without specifying a specific program, the order will automatically be shipped out at the longer lead time based on the items ordered. Dealers who want separate shipments with different lead times (i.e. - Quick-Ship and Custom), please write separate purchase orders per program and make sure correct items are offered in those programs.

Orders \$3,000 or less, full payment will be due at time of order. A 50% deposit at minimum will be required for orders that contain custom, non-stock fabrics, or large quantities. The deposit must be made before the order is scheduled into our system.

Please note that any discrepancies in your purchase order can cause significant delays. You must review the acknowledgment for accuracy and advise TG immediately of any discrepancies or changes. Lead time starts once order is finalized.

Changes/Cancellations:

No cancellations, changes, additions or holds will be accepted for an order for which materials have been ordered or produced. Cancellations and/or changes of product or shipping dates on custom orders must be received in writing within 3 business days of the acknowledgement date. Order revisions will no longer be accepted for Quick-Ship if the order has already been processed in the system or after 24 hours, whichever occurs first. No cancellations or revisions will be accepted after 72 hours for non-stock fabric orders. NO EXCEPTIONS. Orders that do not follow these guidelines will be charged a 25% re-stocking or handling fee. We cannot guarantee that purchase orders added to an existing order will be shipped together. If items are added to an order or an item on an order is changed, the entire order may be rescheduled as of the date of the change. This may result in a later ship date than the original order. In the event an order is refused and returned to us, a 25% restocking/handling fee may be assessed in addition to the inbound and outbound freight charges. The 25% restock fee also applies to pro forma orders that are cancelled due to nonpayment.

Container Orders:

Due to the special pricing on container orders, all containers must be prepaid via wire transfer or paid by letter of credit. If you have not placed a prior container order or if there were previous payment delays or if there are non-stock/custom items on the order, we may require a 50% deposit before we start manufacturing the order. The remaining balance will be due two weeks before the order is shipped. The purchase of a container may also involve bank charges and other charges unrelated to the price of the product including but not limited to duties, storage, shipping and transportation charges, third party inspection charges whether inspected at point of origin, point of entry or point of delivery. Once your purchase order is sent in, we start reviewing and scheduling your order into our production schedule. It is important that you inform the Baldwin Park office of any order changes within 10 business days from when your order is sent in. After reviewing your purchase order, we will mail or fax an order acknowledgement with your payment instructions.

We must be informed of any discrepancies or revisions to CONTAINER ORDERS in writing within 10 business days of sales order acknowledgment date. No cancellations are allowed. When placing orders, please be mindful of Chinese New Year. Generally, our manufacturing schedule is tight around that time.

Lead Times:

Our goal is to ship custom in stock fabric orders within 5-7 weeks of the acknowledgement of the order, 8-10 weeks for non stock fabrics.

Notwithstanding anything to the contrary herein, TG does not guarantee that any shipments of any type of product or order will be delivered at or before a date certain. This is a goal - not a guarantee - and may be slightly affected by availability of fabrics & consumer demands.

ALL SHIPMENTS - TG shall, in the event of no routing instructions from the buyer; select a carrier, which it feels, in its sole discretion, can adequately handle each shipment.

Order Scheduling:

Deliveries are subject to fire, storm, flood, war, rebellion, riot, strike or labor trouble, interruptions to transportation, perils of navigation, damage to factory, equipment of facilities, governmental mandates, including the exercise of acts of God, failure of our sources of supply in whole or in part, and other cause beyond our control. We shall not be liable for any damages or failure to deliver or delay in delivery due to any such causes. If possible we will attempt to ship merchandise the week of the requested ship dates.

However, in order to maintain an orderly schedule, we reserve the right to schedule the merchandise shipment to the nearest available production schedule and to ship accordingly.

Our regular business days are Monday through Friday.

Freight Charges:

The shipping charges on your invoice may differ from those on your acknowledgement. This is largely due to instability in today's fuel economy. Please understand that these charges are assessed by the carrier, not TG. These charges can sometimes include fuel surcharges, lift gate, extra delivery charges, as well as standard pallet fees and box pallet fees which may not have been indicated on the preliminary freight quotes. The pallet fees may increase depending on the cost of these items.

If the freight charges are prepaid & added to your invoice, the shipping charges may include any applicable pallet charges. To ensure the most economic freight for our customers, we are constantly reviewing freight rates.

Freight Claims:

All merchandise is delivered to the carrier in factory new condition. Our FOB shipping points are Baldwin Park, CA or Ningbo, China. The FOB location depends on your order type and product availability. The carrier accepts responsibility for the safe delivery upon acceptance of the shipment. TG should be notified immediately regarding any claims. Claims for loss or damage sustained in transit must be filed by the Dealer, as follows:

Visible Damage:

It is the Dealer's responsibility to check the merchandise and file a claim with the carrier if the shipment was made using the dealer's carrier and account. Request a claim form from the delivering carrier and file your claim immediately. If the shipment was made using TG's carrier and account, it is the Dealer's responsibility to check the merchandise and notify TG immediately of the situation so that a claim can be filed. In either situation, make a notation on the Bill of Lading/Proof of Delivery as to the nature and extent of the damage

and obtain a signature of the carrier's agent. (Failure to adequately describe this information may result in the carrier refusing to honor the claim and TG will not, under any circumstances, be liable for damage sustained in transit).

Concealed Damage:

If damage is discovered when unpacking the merchandise, immediately mark the damaged area and submit a written request for the carrier to inspect. Attach a copy of the concealed damage information. Do not remove the merchandise from the original carton until the carrier inspection is complete. If the merchandise was shipped using TG's carrier and account, it is the Dealer's responsibility to notify TG immediately of the situation so that a claim can be filed. Concealed damage needs to be reported and claim filed within 5 days for all carriers.

Shortage:

It is the Dealer's responsibility to inspect all merchandise and to file claims with the carrier in the event of product shortage. Make a notation on the Bill of Lading as to the number of cartons short. TG must also be notified immediately of any shortages. File the claim with the delivery carrier immediately. No claim for shortages, damaged items or errors will be honored unless it is made in writing on the Bill of Lading/Proof of Delivery immediately upon receipt of the shipment. Notwithstanding anything to the contrary in this Agreement, failure to make a claim on the Bill of Lading will constitute a waiver of any rights to a refund or credit.

Return Goods:

No returns will be accepted without a written Return Authorization (RA#) from the factory. A request for return must be done within 30 days of delivery and all RA's are valid for 60 days. It is the Dealer's responsibility to follow routing instructions. Please email your Customer Service Representative for an RA#. Your request must include the following information:

- Company name, contact name, number & store hours;
- The TG invoice and/or acknowledgement;
- The item no., number of units to be returned and carton total;
- The reason for the return; and
- Which carrier will be returning the goods and the date of the shipment.

Any item that is returned for credit that is not under TG's warranty policy is subject to a 25% restocking fee (and must be properly packaged) plus inbound and outbound freight charges, if applicable. Any item that is returned for repair or replacement that is not under TG's warranty policy is subject to the applicable repair charges listed in the "Other Fees" section, below. **FOR FULL CREDIT CONSIDERATION, RETURNED MERCHANDISE MUST BE BOXED & IN NEW CONDITION.** TG will only organize the return of product for warranty determination from the original point of shipment within the US and Canada. Per the Treasure Garden Limited Warranty, Treasure Garden restricts warranty service for TG products to the country where Treasure Garden or its authorized TG retail dealers originally sold the product.

Errors:

There may be errors in the prices, descriptions or images of certain merchandise in our catalog, price list or sales material. We reserve the right to restrict orders of those items.

Other Fees:

These fees apply to both contract accounts and retail Dealers.

- Non-warranty repairs are subject to a labor charge of \$50 per hour plus applicable parts, inbound and outbound freight charges. Please allow at least 5 business days for processing.

- A \$25 service charge will be assessed on any returned check.
- A Materials Handling Fee may be assessed for palletized orders shipping LTL freight collect or when special labels are required to print for each order.

Shipping:

Most products must be shipped with a trucking company. TG can only ship to addresses in the US and Canada. If shipping to Canada, you must have your own broker to clear items through customs and this information must be provided with the purchase order.

Treasure Garden Storage Policy:

We reserve the right to assess storage fees if you are not able to receive the product when Treasure Garden is ready to ship, your carrier does not pick up within 3 days of notification that the shipment is ready or after a 3-day grace period*. The grace period starts the day after the original Estimated Ship Date on your Order Acknowledgement (or the date the product is ready to ship). When the grace period expires, the following storage policy and pricing will be applied:

- Un-palletized orders are \$50 per day*
 - Palletized orders are \$50 per day*; plus an additional \$20 per pallet
- *All time frames referenced in policy are business days

** Customer is responsible for all shipping charges if they are unable to receive shipment when carrier is ready to deliver. This includes but is not limited to, storage and re-delivery fees.*

*** Storage is not available for Cash In Advance customers.*

Payments:

Payment will be accepted in US Dollars only. If a deposit or pre-payment is paid by a standard business check drawn on a domestic banking institution, please allow 2-5 business days from TG's deposit date for your funds to clear. If paid by a standard business check drawn on an International banking institution, please allow 4-6 weeks from TG's deposit date for your funds to clear. If your deposit is prepaid via wire transfer, please allow 1 business day for your funds to clear. Invoice payments should be sent to be received on or before the due date at our corporate office in Baldwin Park, CA at the address in the "Notices" section. Payments made in a different manner may be delayed.

Pricing:

"MSRP" means the Manufacturer's Suggested Retail Price as set forth in the Price List. "MAP" means the Minimum Advertised Price as set forth in this paragraph. Dealers must adhere to MAP requirements when advertising via any traditional media, in all online advertising, online comparison price shopping, and landing pages. Dealers cannot advertise TG products below a published Net MAP price list effective the start of each fiscal year. TG reserves the right to adjust MAP pricing based on MSRP and/or MSRP pricing, changes due to tariff implementation and/or other unforeseen market conditions, as needed during the fiscal year. This net pricing is inclusive of, but not limited to, discounts such as coupons, promo codes, email "sign up" discounts and sales tax. In addition, no advertisements may state or otherwise suggest that the TG MSRP is higher than the actual MSRP as set forth in this price list. It is also incumbent on all dealers to update their pricing October 1, 2022 for 2023 season to reflect any changes to MSRP and MAP that might occur. MAP Policy may vary for international dealers, please see your local sales representatives for details.

Minimum Advertised Price Requirements:

As in any Minimum Advertised Price ("MAP") program, the intent is to uphold the integrity of the Treasure Garden line of products and protect the investments made by Treasure Garden and its Dealers and retail partners. Violating MAP requirements only serves to devalue the brand in the eyes of the consumer. These MAP requirements apply to any Dealers advertising TG products via traditional media including, but not limited to, newspapers, mailers, inserts, circulars, magazines, catalogs, television and radio. In addition, the MAP requirements apply to any Dealers selling or advertising TG products online and/or having a checkout/cart system.

MAP Policy Violation Enforcement:

TG reserves the right to determine, in its sole and unfettered discretion, whether a violation of the MAP requirements has occurred. If TG determines that a Dealer has violated the MAP requirements, TG may, in its sole and unfettered discretion, terminate its relationship with the Dealer without notice or an opportunity to cure. The Dealer agrees that money damages or other legal remedies would not, standing alone, be a sufficient or adequate remedy for any breach or violation of the MAP requirements. As such, in addition to all other remedies available to TG, TG shall be entitled to an injunction restraining such breach or violation and to other equitable relief, including specific performance, without a bond or other security being required.

Product Advertising:

All TG products advertised may include the Treasure Garden name in the product description. Product advertising may include proprietary

names (e.g., O'bravia', etc.) and the Treasure Garden logo in product descriptions. Product names cannot be changed without prior approval (e.g. Polaris, etc.). Lifestyle images provided by Treasure Garden should not be altered without prior approval. The Dealer's permission to use the Treasure Garden brand, tradenames, logos, images, and any intellectual property is subject to the Dealer's strict compliance with this Agreement including, but not limited to, the MAP requirements.

Bulk Sale Restrictions:

If a Dealer decides to resell product to a third party said Dealer is responsible for any warranty or service issues, as well as is still bound to this agreement. The third party is not under agreement with TG, it is the Dealer that is doing business with TG.

Duty to Notify TG of Complaints:

Dealers shall make a careful and thorough inspection of all goods received. Subject to and without limitation of the requirements of the "Freight Claims" section above, Dealers must notify TG in writing of any complaints or issues, whether existing or reasonably foreseeable, relating to TG's performance including, but not limited to, discrepancies in quantity or description of items delivered, defects or potential defects in items delivered, or any other issue whatsoever relating to TG's performance (except issues relating to billing disputes, which are dealt with in the next section.) Notice shall be provided to TG within 30 days of:

(i) the Dealer's receipt of any defective or non-conforming goods, or (ii) the time any other issue complained of came, or should, with reasonable care, have come to Dealer's attention – whichever is earlier. Unless timely notification is received by TG in accordance with the terms hereof, which notice shall identify with particularity all complaints or issues asserted by the Dealer, the Dealer irrevocably waives any and all complaints relating to any defective or non-conforming product or any other issue whatsoever relating to TG's performance and the Dealer shall have no recourse against TG. The Dealer shall be solely responsible for retaining proof that the written notice required by this section was received by TG.

Payment Obligations:

Dealers agree to examine immediately upon receipt each of TG's statements of account, invoices, or other billing statements (collectively, "Bills"), and to notify TG in writing of any disputed Bills within 10 days of receipt. Such disputes may include, but are not limited to, disputes relating to charges for items that were billed but not received; charges for product that was received but not ordered; or charges for items that were returned, refused, credited, or have a freight claim pending. Dealers will not withhold payment when disputes arise. Only the disputed portion of a timely disputed past-due balance may be withheld. Unless timely notification is provided to TG in accordance with the terms hereof, which notice shall identify with particularity any and all objections to any of TG's Bills, the Dealer irrevocably waives any and all objections to TG's Bills. In addition, the Dealer agrees that its obligation to pay TG is separate and independent from any obligations TG may have to the Dealer. In the event the Dealer fails to pay TG in accordance with the terms hereof, the Dealer irrevocably waives the right to assert any and all claims, offsets, or any other defenses whatsoever to TG's right to payment. The Dealer further agrees that any payments to TG may be applied to any invoices or other indebtedness owed to TG, in TG's sole and absolute discretion. The Dealer shall be solely responsible for retaining proof that the written notice required by this section was received by TG.

Statements are sent on the 1st business day of each month and mid-month.

Adequate Assurance & Right to Suspend Delivery:

Without limitation to any of TG's rights hereunder, if the Dealer fails to fulfill the terms of payment of any invoice, or fails to perform any other obligation whatsoever to TG or if there is change in ownership or if the financial condition of the Dealer shall become impaired or unsatisfactory to TG in TG's sole discretion, or if necessitated by any acts of governmental authority, TG reserves the right to change the terms of payment, discontinue further shipments, and/or cancel all orders and deliveries in progress to Dealer, without notice, until all past due payments are made in full or such acts of governmental authority shall have been complied with or Dealer has provided security satisfactory to TG, in TG's sole discretion, which may include, by way of example only, cash in advance or proforma terms.

Attorneys' Fees:

The Dealer agrees that it shall be liable for all of TG's attorneys' fees (including local counsel fees), experts' fees, accountants' fees, court fees, collection costs, collection agency fees (if applicable), and any other expenses, whether or not incurred in connection with litigation or arbitration, arising from the breach of any term of this agreement by the Dealer, and/or in connection with the enforcement of any judgment or award rendered in favor of TG.

Governing Law:

You agree that all matters relating to your purchase and use of TG products, including all disputes, will be governed by the laws of the United States and by the laws of the State of California without regard to its conflicts of law provisions. You agree to the personal jurisdiction by and venue in the state and federal courts in Los Angeles County, California, and waive any objection to such jurisdiction or venue.

No Waiver:

None of TG's rights hereunder will be deemed to be waived or modified in any way based upon the manner in which this Agreement is performed or TG's failure to enforce its rights hereunder or insist on strict and timely performance of the Dealer's obligations. Without limitation to the foregoing, acceptance of payment outside of the stated credit terms shall not operate as a waiver of the stated credit terms.

Limitation on Liability:

In no event will TG be liable to the Dealer for any lost profits, lost savings, or any consequential, incidental or special damages arising out of or in connection with the parties' relationship, even if TG has been put on notice of the possibility of such damages. Without limitation to the foregoing, under no circumstances will TG be liable to the Dealer for punitive damages.

Note: Sunbrella Awning/Marine fabric is treated with a finish which gives the fabric its water repellency and a firmer hand which helps in the sewing and fabrication of the products. Mark-off/Crazing may appear as white scuff marks or thin white lines on the fabric which will normally diminish or go away with normal weathering and will not affect the overall performance of the product.

5 Year Limited Warranty applies to Glen Raven FIRESIST® and Sunbrella® furniture grade, Outdura® furniture grade and O'bravia® awning grade fabrics.

What Is NOT Covered: Failure caused by unreasonable or abusive use, or failure caused by neglect of reasonable and necessary care, and any modification to product are not covered by this warranty. This warranty covers return freight of any warranted product only for the first year. This warranty gives you specific legal rights and you may have other rights which vary from state to state. Wind Damage: Shademaker highly recommends that no umbrella, regardless of size or weight, ever be left unattended in the open position. In windy conditions, it is further recommended that umbrellas be closed, removed from their base, and stored or laid horizontally. This will reduce the risk of personal injury, damage to your umbrella, furniture, and other belongings or property. To ensure stability of your umbrella, please observe proper placement, and use sufficient base weight. This price list contains minimum recommendations for necessary weight for each style. Keep umbrella properly secured to umbrella base at all times. Thoroughly read and follow all provided instruction manuals.

Sufficient base weight must be used to secure umbrellas at all times. Please see individual product pages for recommended minimum weight requirements for free-standing applications. Using a Shademaker mount kit is always the preferred method of securing your umbrella above all other methods. We recommend a licensed contractor to secure your Shademaker umbrellas.

Caution: Seaside and indoor pool use, salt & chlorides can accumulate on the powder coat finish, leading to finish failure. Failure or neglect to make needed cleanings may cause paint to blister, and such failure will void limited warranty.

Irregularities in Production Process: The possibility of "Irregularities" in the product surface may occur during the production process. However, these irregularities do not reduce the quality of the product. Shademaker monitors every stage of production to ensure a clean and consistent appearance on every part.

Rust: Rust is a natural part of the aging process of all steel based materials and is therefore NOT considered a defect. Steel plate bases are designed to require minimum maintenance. Bases should be kept clean. Do not let dirt build up on the bases. Never leave bases standing in water. To keep your bases looking their best, you may wish to store them when not in use for an extended period of time.

International Returns: If an item is found to be under warranty Shademaker shall only be responsible for ground shipping charges to the location of the product within the continental United States and Canada. Any duties, express, international or special shipping charges are at the expense of the retail dealer or consumer.

IMPORTANT RESTRICTION FOR PRODUCTS WARRANTY SERVICE:

Shademaker restricts warranty service for products to the country where Shademaker or its authorized retail dealers originally sold the product.

It is our policy to continuously improve designs, materials and manufacturing methods in order to provide you with the finest products. Therefore, variations in specifications, materials, prices, styles and finishes may be made without notice.

NO RETURNS ON CUSTOM OR VALANCE UMBRELLAS.

THE SELLER DISCLAIMS ANY IMPLIED WARRANTY OF MERCHANTABILITY.

Those filing warranty claims outside 1 year or warranty, will be responsible for all shipping, handling, and freight charges on all claims to Shademaker in Baldwin Park, CA.
